a Case Study -- Slave and Free at the End of Antiquity -- Women in Need: Debt-Related Requests from Early Medieval Egypt -- Economic Conditions for Merchants and Traders at the Border Between Egypt and Nubia in Early Islamic Times -- Andreas, Son of Petros, and the Monastery of Dayr al-Rm: An Usurious Monk? or a Monastic Record Vault? -- Index of names -- Index locorum

Sommario/riassunto

This volume covers the transition period stretching from the reign of Justinian I to the end of the 8th cent., focusing on the experience of individuals who lived through the last decades of Byzantine rule in Egypt before the arrival of the new Arab rulers. The contributions drawing from the wealth of sources we have for Egypt, explore phenomena of stability and disruption during the transition from the classical to the postclassical world.
