   Sommario/riassunto This book constitutes revised and extended selected papers of the
                      Third IEEE Colombian Conference, ColCACI 2020, held in Cali,
                      Colombia, August 2020. Due to the COVID-19 pandemic the
                      conference was held online. The12 full papers presented were carefully
                      reviewed and selected from 65 submissions. The papers are organized
                      in topical sections on earth sciences applications; biomedical and
