   Sommario/riassunto This book constitutes the proceedings of the 10th European
                       Conference on Software Architecture, ECSA 2016, held in Copenhagen,
                       Denmark, in November/December 2016. The 13 full papers presented
                       together with 12 short papers were carefully reviewed and selected
                       from 84 submissions. They are organized in topical sections on full
                       research and experience papers, short papers for addressing emerging
                       research, and education and training papers.
