1. Record Nr.            UNISA996466183603316

   Titolo                 NII Testbeds and Community for Information Access Research
                          [[electronic resource] ] : 14th International Conference, NTCIR 2019,
                          Tokyo, Japan, June 10–13, 2019, Revised Selected Papers / / edited by
                          Makoto P. Kato, Yiqun Liu, Noriko Kando, Charles L. A. Clarke

   Pubbl/distr/stampa     Cham : , : Springer International Publishing : , : Imprint : Springer, ,
                          2019

   ISBN                   3-030-36805-X

   Edizione               [1st ed. 2019.]

   Descrizione fisica     1 online resource (208 pages)

   Collana                Information Systems and Applications, incl. Internet/Web, and HCI ; ;
                          11966

   Disciplina             025.04

   Soggetti               Application software
                          Information storage and retrieval
                          User interfaces (Computer systems)
                          Database management
                          Machine learning
                          Information Systems Applications (incl. Internet)
                          Information Storage and Retrieval
                          User Interfaces and Human Computer Interaction
                          Computer Appl. in Social and Behavioral Sciences
                          Database Management
                          Machine Learning

   Lingua di pubblicazione    Inglese

   Formato                Materiale a stampa

   Livello bibliografico  Monografia

   Nota di contenuto      Lifelog search -- Open live test for question retrieval -- QA lab for
                          political information -- Short text conversation -- We want web --
                          Fine-grained numeral understanding in financial tweet.

   Sommario/riassunto     This book constitutes the refereed proceedings of the 14th
                          International Conference on NII Testbeds and Community for
                          Information Access Research, NTCIR 2019, held in Tokyo, Japan, in June
                          2019. The 15 full papers presented in this book were carefully reviewed
                          and selected from 55 submissions. This NTCIR 2019 proceedings was
                          structured in the following topics: lifelog search; open live test for

question retrieval; QA lab for political information; short text conversation; we want web; and fine-grained numeral understanding in financial tweet.
