Nota di contenuto	pt. I. Liberty. Liberty ; Towards a free society -- pt. II. Equality. Equality ; Towards equality -- pt. III. Fraternity. Fraternity and solidarity ; The inclusive society -- Conclusion: Radical politics.
Sommario/riassunto	Paul Spicker's new book takes the three founding principles of the French Revolution - Liberty, Equality, Fraternity - and examines how they relate to social policy today. The book considers the political and moral dimensions of a wide range of social policies, and offers a different way of thinking about each subject from the way it is usually analysed.
