

1. Record Nr.	UNISA996515468103316
Titolo	
Pubbl/distr/stampa	Beijing : , : China Earthquake Administration, , 2021-
Descrizione fisica	1 online resource
Soggetti	Geophysics Astrophysics Cosmic physics Geodynamics Seismology Physics
Lingua di pubblicazione	Cinese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Journal title from 1970-1973: Science and technology reference, foreign earthquake materials; Journal title from 1974-1981: Foreign earthquake; Journal title from 1982-2020: World earthquake translation. (Title history from "about journal" section of journal website).
Sommario/riassunto	"RGPP is an open access academic journal in earth and planetary physics governed by China Earthquake Administration, sponsored by Institute of Geophysics, China Earthquake Administration and co-sponsored by Chinese Geophysical Society and Geophysical Exploration Center of China Earthquake Administration, bimonthly issued... The aim of the journal is to publish new ideas, technologies and progress in the field of geophysics and planetary physics, promote academic exchanges, and advance the development of the scientific research in this field. The publishing scope covers many fields related to geophysics and planetary physics, including solid geophysics, planetary physics, space physics, atmospheric physics, etc."-- Journal website (sjdz.org.cn)
