Sommario/riassunto	Bibliotheca Islamica (BI) is the Orient-Institut Beirut's platform for the critical edition of mainly Arabic texts. The series dates back to 1929, when Hellmut Ritter edited the Kitb Maqlat al-islamyn wa-tilf al-mualln of Ab I-asan Al al-Asar, a seminal text on dogmatic positions in the early Islamic period. Since then, the OIB has published more than fifty titles in this series.
