

1. Record Nr.	UNISA996543346703316
Titolo	N42.62-2023 - IEEE Standard for Passive Imaging Radiation Devices (PIRDs) for the Localization and Identification of Radioactive and Nuclear Materials // IEEE
Pubbl/distr/stampa	New York, USA : , : IEEE, , 2023
ISBN	1-5044-9622-1
Descrizione fisica	1 online resource (30 pages)
Disciplina	541
Soggetti	Radioactive substances
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The performance requirements for passive imaging radiation devices (PIRDs) are described in this standard. The requirements stated are based on PIRDs used for the localization and identification of radioactive and nuclear materials.
