

1. Record Nr.	UNISA996543359303316
Titolo	2859-2023 - IEEE Standard for Biometric Multi-modal Fusion / / IEEE
Pubbl/distr/stampa	New York, USA : , : IEEE, , 2023
ISBN	1-5044-9937-9
Descrizione fisica	1 online resource (24 pages)
Disciplina	658.4013
Soggetti	Performance - Evaluation Functional programming (Computer science)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	A multi-modal fusion technology framework for the biometric system, which specifies multi-modal fusion architecture, functional requirements, business processes, performance requirements and security requirements is proposed in this standard.
