Livello bibliografico	Monografia

Part I- ASSESSMENT PRACTICES -- Chapter 1. Assessment and Measurement of Safety Indicators in Clinical Settings -- Chapter 2. Performance Diagnostic Assessment -- Chapter 3. Functional Analysis: Safety Precautions & Risk Prevention -- Chapter 4. Social Validity Assessment -- Part II- INTERVENTION PRACTICES -- Chapter 5. Intervention for Aggressive–Destructive Behavior -- Chapter 6. Intervention for Self-Injurious Behavior -- Chapter 7. Protective Equipment in Clinical Intervention -- Chapter 8. Physical Restraint in Crisis Management and Behavior Support -- Chapter 9. Teaching Safety Skills -- Chapter 10. Emergency-Response Skills Training -- Part III- ORGANIZATIONAL PRACTICES. -- Chapter 11. Behavior-Based Safety in Intellectual and Developmental Disabilities Services Settings -- Chapter 12. Environmental Safety Design on Inpatient and Outpatient Units -- Chapter 13. Disease Prevention and Health Promotion -- Chapter 14. Safety Implementation Training of Care Providers.

Sommario/riassunto

This book addresses behavior safety and clinical practice with persons who have intellectual and developmental disabilities (IDD). It focuses on safety concerns among children, youth, and adults with IDD who are susceptible to accidents and personal injury, lack self-preservation skills to prevent and avoid risk exposure, demonstrate behavior that is harmful (e.g., abuse, aggression, and property destruction), and receive restrictive and potentially unsafe interventions. The book examines characteristics of service settings, including strategies that promote environmental safety, training of care providers to implement safety protocols, and mitigation of risk factors associated with disease transmission. In addition, it describes evidence-based practices at the person-specific, intervention, and organizational levels, featuring service recommendations and directions for future research. Key areas of coverage include: Concepts and principles of behavior-based safety (BBS). Safety assessment and measurement. Prevention and risk-avoidance strategies. Safety skills training with children, youth, and adults. Environmental factors associated with personal safety. Clinical practice guidelines and evidence-based research support. Behavior Safety and Clinical Practice in Intellectual and Developmental Disabilities is an essential resource for professionals and practitioners as well as researchers, professors, and graduate students across such disciplines as developmental, clinical child, and school psychology, public health, social work, special education, applied behavior analysis, organizational behavior management, and all related psychology, education, and behavioral health fields.

| | Titolo | Coblers End, Or His (last) Sermon : Being A True Relation Of That Sermon, Which Was Preached In St. Georges Church In Southwark By A Cobler Last Sabbath Day, Being The 12. Of December, 1641. Who Most Impudently, And Insolently Stept Up Into The Pulpit, And Broached His Brownisticall & Erroneous Opinions To His Auditors. This Is None Of Your Lying Flashes, But All Is Most Reall Truth. His Text Was Taken Out Of The 30. Chapter Of Esaiah, And The Last Verse. For The Fire Of Hell Is Ordained From The Beginning, Yea Even For The King It Is Prepared, &c |
