Sommario/riassunto	Constructive Anarchy draws on over a decade of direct study within a variety of anarchist projects to provide the most wide-ranging and detailed analysis of current anarchist endeavours to date. The book offers compelling discussions of anarchism and union organizing, anti-poverty work and immigrant and refugee defence, and is a groundbreaking achievement from one of the rising scholars of contemporary anarchism.

Sommario/riassunto	The book series "Latin American Literatures of the World" presents an innovative understanding of literatures written in Latin America and the Caribbean. Informed by current perspectives on world literary studies and cultural theory, it focuses on works that deal with the multiple global connections of Latin American literatures. This comprises determined aesthetics and forms of writing, as well as book-market-related phenomena.
