Sommario/riassunto	An Arabic translation of George Anton Kiraz's 'The Syriac Orthodox in North America (1895–1995)' – a short history of the Syriac Orthodox community in North America between 1895, the year of the First Sayfo that triggered the first wave of immigration to North America, and 1995, marking the passing away of Metropolitan Mor Athanasius Yeshue Samuel, the first and only Archbishop of the Syriac Orthodox Archdiocese of the United States and Canada.
