

1. Record Nr.	UNISA996559964003316
Titolo	2868-2023 - IEEE Standard for Architectural Framework and Technical Requirements for Smart Display Systems / / IEEE
Pubbl/distr/stampa	New York, USA : , : IEEE, , 2023
ISBN	979-88-557-0172-2
Descrizione fisica	1 online resource (25 pages) : illustrations
Disciplina	624.1
Soggetti	Smart structures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The architectural framework and technical requirements for a smart display system are specified in this standard, which provides the definitions, terminologies, system framework and process, and the key technological requirements to achieve security and privacy protection.
