

1. Record Nr.	UNISA996567372403316
Titolo	ESAFORM 2021: proceedings of the 24th International Conference on Material Forming : 14-16 April 2021
ISBN	978-2-87019-303-7
Soggetti	Congresses
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>The 24th International ESAFORM Conference on Material Forming – ESAFORM 2021 –is organized by Anne-Marie Habraken from University of Liège, Belgium, between 14th and 16th April, 2021 as a digital event. The conference covers numerous disciplines related to material forming including all kind of materials (metals, polymers, ceramics and composites), processes (traditional and new forming processes), scales (nano, micro, macro and meso) and approaches (modelling, simulation, experiments, ...). It brings together specialists from academia and industry from all around the world, to discuss the latest technological innovations and recent achievements in material forming.</p>
