

1. Record Nr.	UNISA996574635003316
Titolo	1594-2020 - IEEE standard for helically-applied fiber optic cable systems (WRAP) for use on overhead utility lines // IEEE
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2021
ISBN	1-5044-7285-3
Descrizione fisica	1 online resource
Disciplina	621.3692
Soggetti	Fiber optic cables Fiber optics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	An all-dielectric fiber optic cable (WRAP) designed to be helically wrapped around a conductor or other messenger on overhead power facilities is covered by this standard.
