

1. Record Nr.	UNISA996574883303316
Titolo	2021 IEEE Vehicular Networking Conference (VNC) : 10-12 November 2021, virtual conference // edited by Frank Kargl
Pubbl/distr/stampa	Piscataway, New Jersey : , : IEEE, , 2021
ISBN	1-66544-450-9
Descrizione fisica	1 online resource (193 pages) : illustrations
Disciplina	621.382
Soggetti	Mobile communication systems Vehicular ad hoc networks (Computer networks)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	IEEE Vehicular Networking Conference (VNC) seeks to bring together researchers, professionals and practitioners to present and discuss recent developments and challenges in vehicular networking technologies and their applications.
