

1. Record Nr.	UNISA996574967203316
Titolo	1541-2021 - IEEE Standard for Prefixes for Binary Multiples // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2022
ISBN	1-5044-8315-4
Descrizione fisica	1 online resource (15 pages)
Disciplina	513.21
Soggetti	Binary system (Mathematics) Binary system (Mathematics) - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Names and letter symbols for prefixes that denote multiplication of a unit by the binary multiplier $2^{10n}$ , where $n = 1, 2, 3, 4, 5, 6, 7,$ or $8$ are defined. Although the prefixes may be used with all units in all fields where multiplication by a binary multiplier is found to be appropriate, their primary use is in the field of information technology.
