

1. Record Nr.	UNISA996575021503316
Titolo	2022 CPSSI 4th International Symposium on Real-Time and Embedded Systems and Technologies (RTEST) // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2022
ISBN	1-66549-910-9
Descrizione fisica	1 online resource
Disciplina	004.16
Soggetti	Embedded computer systems
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	RTEST 2022 invites papers presenting design, implementation and verification of real time embedded technologies and cyber physical systems in the following tracks Cyber Physical Systems (CPS) Internet of Things (IoT) Embedded Software and Hardware.
