Sommario/riassunto

Brendan Hyde identifies four characteristics of children's spirituality: the felt sense, integrating awareness, weaving the threads of meaning, and spiritual questing . These characteristics can be observed in children if those who work with them know what to look for and are alert to the time, place and space in which children find themselves. This book provides ways in which schoolteachers and parents can nurture and foster these particular characteristics of children's spirituality. It also considers two factors, material pursuit and trivialising, which may inhibit children's expression of
