Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The path to understanding the patient, yourself & the business -- The science of selling -- You said what? Basic communication skills -- The discovery process -- The commitment process -- Improving your skills during your career journey.
Sommario/riassunto	This book outlines a specific system that blends several innovative clinical tests, such as the QuickSIN and Acceptable Noise Level test, with proven interpersonal communication strategies that enhance the audiologist's persuasiveness in a commercial working environment. Based on nearly 20 years of experience, the author shares case studies to illustrate common clinical scenarios routinely encountered in a busy dispensing practice, and how a selling system can help increase effectiveness.
