Nota di contenuto Front Cover -- The Visual Life of Climate Change -- Copyright Page -- Dedication -- Table of Contents -- List of Figures -- Acknowledgements -- 1 Introduction: 'Just Tell Me, What's the Best Climate Image?' -- Framing for understanding visual climate communication -- Climate change has an image problem -- About this book -- 2 Adaptation: Heatwaves and Sea Level Rise -- Heatwaves -- 'Fun in the sun' and 'the idea of heat' -- Heatwave visuals marginalise

vulnerable people -- Beyond 'fun in the sun' for heatwave visuals --
Sea level rise -- Aerial imagery of coral atolls -- Young girl in
floodwater -- Sea level rise imagery removes agency of island dwellers
-- Pacific islanders' challenge dominant visual narratives -- Where to
next, for climate adaptation images? -- 3 Impacts: Polar Bears and
Flooding -- The polar bear -- Polar bears are polar bears -- Polar
bears mean politics -- Polar bears mean climate change -- Flooding --
Flooding means suffering -- Flooding means 'getting on with it' --
Implicit visual cues -- Where to next, for climate impact images? -- 4
Energy: Smokestacks and Wind Turbines -- Smokestacks -- Wind
turbines -- Putting people in the (energy) picture -- Where to next, for
climate and energy imagery? -- 5 Science: Climate Stripes and Weather
Maps -- Burning Embers -- Climate Spirals and Stripes -- Weather
maps -- Where to next, for climate science visuals? -- 6 People:
Politicians and Protesters -- Political figures -- Protesters -- Mass
protest -- Opinion shapers online -- Where are the everyday people?
-- 7 Conclusion: The Flow and Friction of Climate Images -- Climate
visuals move through a complex, global media ecosystem --
Organisations, groups, individuals -- News organisations -- Image
agencies -- The images in people's minds -- Information architecture
-- Managing, sorting, searching -- Culture of the click.
Platform and format -- The colour of climate -- A critical approach to
climate visual communication -- Climate visuals and the growth of
generative-AI -- Towards a more inclusive and responsible climate
visual discourse -- References -- Index.

Sommario/riassunto

Available open access digitally under CC-BY-NC-ND licence. Images can play a key role in communication - but climate change imagery can be formulaic and narrow in perspective. Going beyond polar bears and wildfires, this book is a manifesto for opening up the visual discourse on climate.
