Sommario/riassunto

This work addresses the complexity of the WTO's August 30,. 2003 decision on the implementation of paragraph 6 of the Doha Declaration on the TRIPS Agreement and Public Health. It provides an explanation of the decision and model legal texts for the required notifications to the WTO and for the amendments of their patent law that most developing countries will need to pass in order to incorporate the decision in their domestic legal framework.

Sommario/riassunto

The volume presents a selection of best practices implemented in the Tuscany region in the field of reception and integration policies for migrants and asylum seekers. The volume adopts the framework of the "White Paper on Reception Policies for Asylum Seekers and International or Humanitarian Protection Holders" released in 2017 by the Tuscany Region and Anci Toscana to consolidate principles, guidelines and best practices, as well as to provide a common framework aimed at

improving reception services and integration policies for migrant citizens. [Publisher's text]
