Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Anthony Lewis in his book "Freedom for the Thought That we Hate: A biography of the First Amendment". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Anthony Lewis' book. Lewis exposes the history of the First Amendment, and he also highlights the court's interpretations through the time.
