

1. Record Nr.	UNISALENTO991000390929707536
Titolo	Mechanical vibration and shock-Evaluation of human exposure to whole-body vibration. Part1 General requirements : ANSI S3.18-2002 / American National Standard, secretariat Acoustical Society of America (ASA)
Pubbl/distr/stampa	Melville, NY : Acoustical Society of America, 2002
Descrizione fisica	iv, 31 p. : ill. ; 28 cm
Collana	American national standard ; ANSI S3.18-2002
Altri autori (Enti)	Acoustical Society of America.Standards Secretariatauthor American National Standards Institute.Standards Committee S3, Bioacoustics
Disciplina	612.014
Soggetti	Vibration - Physiological effect - Standards Human engineering - Standards
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Accredited Standard Committee S3, Bioacoustics
Nota di bibliografia	Includes bibliographical references
