Sommario/riassunto

The two-volume work *The New Testament and the Apostolic Fathers* offers a comparative study of two collections of early Christian texts: the New Testament; and the texts, which are conventionally referred to as the Apostolic Fathers. The second volume, *Trajectories through the New Testament and the Apostolic Fathers*, discusses broad theological, literary, and historical issues that arise in the comparative study of these texts, and which are of importance to the study of early Christianity. It deals with the most important current debates concerning both the Apostolic Fathers and the New Testam
