Sommario/riassunto	"Curbside Consultation in IBS : 49 Clinical Questions provides quick and direct answers to the thorny questions commonly posed during a

"curbside consultation" between colleagues. Dr. Brian E. Lacy has designed this unique reference, which offers expert advice, preferences, and opinions on tough clinical questions commonly associated with IBS. The unique Q&A format provides quick access to current information related to IBS with the simplicity of a conversation between two colleagues. Numerous images, diagrams, and references are included to enhance the text and to illustrate the treatment of IBS patients. Curbside Consultation in IBS: 49 Clinical Questions provides information basic enough for residents while also incorporating expert advice that even high-volume clinicians will appreciate. Gastroenterologists, fellows and residents in training, surgical attendings, and surgical residents will benefit from the user-friendly and casual format and the expert advice contained within"--Provided by publisher.
