#### Sommario/riassunto

In 1992, *Maus*, a graphic novel by Art Spiegelman, won the Pulitzer Prize. The genre has been growing ever since, appealing to the visual-oriented Gen-X and Gen-Y, as well as to reluctant readers, those of all ages seeking alternative viewpoints, and anyone willing to take both image and word into consideration. *Graphic Novels Now* helps librarians new to the genre with all the key issues related to these unique books. Expert author Francisca Goldsmith shares smart advice, from how to develop a well-rounded collection by finding reviews and reliable publishers and distributors to shelving, cataloging, and marketing.
