Sommario/riassunto

Les Pyrénées témoignent de la vigueur des échanges : les populations y commercent en toutes circonstances. Les sources font état d'échanges sur chacun des versants et entre le nord et le sud de la chaîne, et mettent en évidence un négoce transpyrénéen intéressant des marchés plus larges où la montagne et ses hommes ne participent qu'au transit des produits. Si une première approche permet d'entrevoir globalement le trafic, un certain nombre de questions se pose sur sa nature précise, l'influence des marchés de part et d'autre des Pyrénées ou le rôle des marchands. Réunissant des chercheurs venus des deux côtés des Pyrénées, ces journées se fixent comme objectif de tester toutes les approches du sujet sous l'angle de l'histoire économique, sociale, culturelle, anthropologique et juridique. Els Pirineus testimonien el vigor dels intercanvis, on les poblacions hi comercien en totes les circumstancies les ions mostren intercanvis en cada vessant de la serralada i a la vegada entre totes dues vessants. Alhora evidencien un negoci transpirinenc que afecta uns mercats mes amplis en que la muntanya i els homes contribueixen tan sols, en el transit. Una primera aproximacio permet percebre el comerç global. Resten les questions sobre el seu caràcter precis l'influencia dels mercats en totes dues parts dels Pirineus, o bé el paper dels mercaders. L'objectiu d'aquestes jornades, que reuneixen investigadors tant del nord com del sud, és aproximar-se a aquest tema a través de la història econòmica, social, cultural, antropològica i jurídica.

Sommario/riassunto

It's time for some straight talk about Australia's future. We need a head of state who shares a genuine affinity with our country. True independence does not require us to relinquish affection for the Queen or downplay excitement about a royal birth or wedding. Rather it is a chance for national renewal, and to lend an Australian dignity to the highest office in the land. In short: to decide what kind of country we want to live in. Featuring forewords by Malcolm Turnbull and Wayne Swan, Project Republic unites a range of passionate Australian voices to show why Australia must become a republic -
