Sommario/riassunto	"Drawing on more than 150 in-depth interviews, Becoming Strong: Impoverished Women and the Struggle to Overcome Violence, explores the diverse effects of trauma in the lives of female victims of violence experiencing homelessness. Laura Huey and Ryan Broll closely examine the negative patterns common to cases of female victims of violence experiencing homelessness and develop informed solutions for responding to issues that perpetuate cycles of female homelessness. Becoming Strong offers not only a comprehensive examination of trauma and the role it can play in shaping the lives of women experiencing homelessness, but it also explores how women may

recover and develop strategies for coping with traumatic experiences."
