

1. Record Nr.	UNISALENTO991001194649707536
Autore	Bragg, Louis R.
Titolo	Oakland Conference on Partial Differential Equations and Applied Mathematics / eds. Louis R. Bragg, John W. Dettman
Pubbl/distr/stampa	Harlow, Essex, England ; New York : Longman, 1987
ISBN	0582994721
Descrizione fisica	117 p. : ill. ; 25 cm.
Collana	Pitman research notes in mathematics series, ISSN 02693674 ; 154
Classificazione	AMS 15A18 AMS 34G10 AMS 35-06 AMS 35-XX AMS 35L30 AMS 35P25 AMS 47A40 AMS 47B35
Altri autori (Persone)	Dettman, John Wauthor
Disciplina	515.353
Soggetti	Partial differential equations
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Conference held at Oakland University, on May 17, 1986. Includes bibliographies. The integral equations of inverse scattering theory and the underlying transmutations / R. Carroll - Inverse problems in scattering theory / D. Colton, P. Monk and F. Santosa - Transmutations occurring in ocean acoustics / R.P. Gilbert - Functional analytic and other methods in partial differential equations / J.A. Goldstein - The Toeplitz-circulant eigenvalue problem $Ax = [\lambda] Cx$ / G. Strang and A. Edelman
