   Livello bibliografico Monografia

   Nota di bibliografia Includes bibliographical references (p. 233-241) and index

   Nota di contenuto   1. Additive and biadditive functions -- 2. Langrange's mean value
                       theorem and related functional equations -- 3. Pompeiu's mean value
                       theorem and associated functional equations -- 4. Two-dimensional
                       mean value theorems and functional equations -- 5. Some
                       generalizations of Langrange's mean value theorem -- 6. Mean value
                       theorems for some generalized derivatives -- 7. Some integral mean
                       value theorems and related topics.
