Sommario/riassunto	The growth of interest in why people stop offending and how they are resettled following punishment has been remarkable. Once a marginal topic in criminology, it is now a central topic of research and theorising amongst those studying criminal careers. This book is both an introduction to research on desistance, and the report on a follow-up of two hundred probationers sentenced to supervision in the late 1990's. The reader is introduced to some of the wider issues and debates surrounding desistance via a consideration of the criminal careers of a group of ex-offenders. This lively engagement
