Sommario/riassunto

Este libro es una obra conmemorativa de una fecha historica relacionada con el Bicentenario del proceso de Independencia de Colombia. Justamente posee problematicas variadas, pero siempre con fenomenologias en torno a 1819, verbigracia, los antecedentes, las distintas miradas del problema historico e historiografico desde diversas opticas de analisis (como en efecto las hay), sus repercusiones y, por supuesto, lo que represento a lo largo del tiempo para la construccion del Estado-Nacion.
