Student empowerment : teacher empowerment - increasing your teaching self-confidence and your teaching efficacy -- Part III. Getting help from the "Village" : how to maximize your relations with parents, colleagues, and school leaders.
Sommario/riassunto	An all-in-one toolkit that empowers new teachers to meet the needs of diverse learners When novice teachers are assigned to teach disadvantaged students, the results are predictable: growing tension and frustration on both sides, leading to disengaged students and disillusioned educators. Gail and Rufus Thompson are renowned experts on bridging the instructional gaps between teachers and students who don't look like them. In this book, the authors show new teachers how to flourish by building on the assets of their students and the students' families. Yes, You Can! holds up a mirror to deeply-held beliefs about race and other variables of difference. Through interactive exercises, readers gain confidence and empathy that translate to success for students. The book includes: Powerful vignettes about real teachers and ...
