Sommario/riassunto	This book contains the first set of guidelines adopted by the Conference of the Parties at its Second (2007) and Third (2008) sessions. These four guidelines cover a wide range of provisions of the WHO Framework Convention on Tobacco Control, such as: the protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry; protection from exposure to tobacco smoke; packaging and labelling of

tobacco products; and tobacco advertising, promotion and sponsorship. These guidelines are intended to help Parties to meet their obligations
