Ensuring Success for Latino Migrant Students; 10. Triumphs and Tragedies: The Urban Schooling of Latino Students; 11. The Role of Preservice Teacher Education in Serving Latino Students; Index; About the Editor and Contributors
Sommario/riassunto	The purpose of this book is to provide a comprehensive historical and contemporary view of the education of Latinos in the United States. It is unique in that it provides readers with accurate information that will deepen their understanding and knowledge about Latinos from

preschool to higher education, as well as in special education, gifted education, and migrant and urban education. Topics such as bilingualism and teacher preparation are an integral part of this thorough and eloquent book.||Among culturally and linguistically diverse groups in the United States, the Latino population is th
