Sommario/riassunto	James Mallory was an uncommon Southerner. Most inhabitants of the

Old South, especially the plain folk, devoted more time to leisurely activities--drinking, gambling, hunting, fishing, and just loafing--than did Mallory, a workaholic agriculturalist, who experimented with new plants, orchards, and manures, as well as the latest farming equipment and techniques. A Whig and a Unionist, a temperance man and a peace lover, ambitious yet caring, business-minded and progressive, he supported railroad construction as well as formal education, even for girls. His cotton production--four bale
