	Nota di contenuto	Introduction : the transition within the transition -- Setting the scene -- The party of power -- The party of hubris -- The Communists -- The Liberals -- Putin -- Results, consequences, and implications for U.

S. Policy.

Sommario/riassunto	Twice in the winter of 1999-2000, citizens of the Russian Federation flocked to their neighbourhood voting stations and scratched their ballots in an atmosphere of uncertainty, rancor and fear. This book is a tale of these two elections - one for the 450-seat Duma, the other for president.
