Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by David Kuo in his book "Tempting Faith: An Inside Story of Political Seduction". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case David Kuo's book. Kuo writes a political and spiritual memoir and he argues that there is a need for a Christian reexamination of the political environment.
