Sommario/riassunto

Since the beginning of her career, Professor Sabine De Knop has been doing research within the frameworks of Cognitive and Contrastive Linguistics and has mainly distinguished herself in three research areas: Language & Cognition, Construction Grammar and Applied linguistics. This volume brings together a range of contributions which open up new perspectives on these three topics, either within one language or from a contrastive perspective. They are written by linguists who have worked with Professor Sabine De Knop at some point in her career. The papers propose new theoretical and empirical insights as well as innovative pedagogical practices in the fields of language and proficiency. Professorin Sabine De Knop arbeitet seit Beginn ihrer Karriere im Bereich der kognitiven und kontrastiven Linguistik und zeichnet sich vor allem in drei Forschungsbereichen aus: Sprache & Kognition, Konstruktionsgrammatik und Angewandte Linguistik & Fremdsprachendidaktik. Diese Festschrift besteht aus einer Reihe von Beiträgen, die sich mit einer oder mehreren Sprachen befassen und ein neues Licht auf diese drei Themen werfen. Die Beiträge stammen von SprachwissenschaftlerInnen, die im Laufe ihrer Karriere mit Professorin Sabine De Knop zusammengearbeitet haben,

und diskutieren sowohl theoretische und empirische Erkenntnisse als auch innovative pädagogische Ansätze in der Fremdsprachendidaktik.

Sommario/riassunto	<p>Innkeeper Chronicles #2 Dina Demille doesn't run your typical Bed and Breakfast. Her inn defies laws of physics, her fluffy dog is secretly a monster, and the only paying guest is a former Galactic tyrant with a price on her head. But the inn needs guests to thrive, and guests have been scarce, so when an Arbitrator shows up at Dina's door and asks her to host a peace summit between three warring species, she jumps on the chance. Unfortunately, for Dina, keeping the peace between Space Vampires, the Hope-Crushing Horde, and the devious Merchants of Baha-char is much easier said than done. On top of keeping her guests from murdering each other, she must find a chef, remodel the inn...and risk everything, even her life, to save the man she might fall in love with. But then it's all in the day's work for an Innkeeper...</p> <p>"Andrews is an auto-buy no matter what the genre!" — Romantic Times "If there is one author that defines Urban Fantasy, it is Ilona Andrews." —Annie Tegelan, Fresh Fiction "One of the brightest voices in urban fantasy and one of my favorite authors.
