Sommario/riassunto	Jochen Oltmer bietet einen umfassenden Überblick über Hintergründe, Formen und Folgen von Migration in Deutschland seit dem späten 18. Jahrhundert. Die komplett überarbeitete und aktualisierte Neuauflage reicht nun bis in die Gegenwart und stellt den gegenwärtigen Stand einer Forschung dar, die seit den 1990er Jahren rasch an Fahrt gewonnen hat. Eine umfangreiche, thematische gegliederte Bibliographie schließt den Band ab. Jochen Oltmer presents a comprehensive overview of the background, forms, and consequences of migration to Germany since the 18th century. This completely updated and revised new edition extends to the present time and describes the latest status of research on migration, a field that has rapidly expanded since the 1990s. The book concludes with a detailed thematically structured bibliography.
