-- 5. Choreography (collaboration and space) -- 6. Kinaesthetic training (arts-based interventions) -- 7. Dance as a method (research).

## Sommario/riassunto

Dance and Organization is the first comprehensive work to integrate dance theory and methods to the study of management. It adds a missing piece to a canon of scholarly books in the area of art and management that have applied arts analogies to the business world, referring for example, to "organizations as theatre", "organizations as jazz", and "leadership as an art".
