Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The East as a complex religious field -- Land and water, war and not war -- Making sacred space -- Conflict in the plural -- Boundary politics, religion and peace-building -- Afterword : War's end -- Reflections.
Sommario/riassunto	Checkpoint, temple, church and mosque is based on fieldwork in Sri Lanka's most religiously diverse and politically troubled region in the closing years of the civil war. It provides a series of new and provocative arguments about the promise of a religiously based civil society, and the strengths and weaknesses of religious organisations and religious leaders in conflict mediation.--Provided by publisher
