| Sommario/riassunto      | "Ideal for inclusive settings, this second edition of Wanna Play (Corwin<br>©2006) provides many easily implemented and fun-filled ways to<br>enhance children's social skills"--<br>"Young children with or at risk for developmental delays often<br>experience considerable difficulty in making and keeping friends. This<br>practical resource for PreK-3 teachers presents the Wanna Play<br>Program, a curriculum devoted specifically to help these students<br>develop social skills and act appropriately in order to make lasting                                                                                                                  |

friendships. The book provides hundreds of games and activities with dozens of reproducibles that target a variety of topics such as emotion regulation, team-playing, and body safety. The activities are linked to IEP goals and reporting categories and offer generalizing strategies for children who do not have special needs or who do not have a diagnosed disability. Help set the foundation for later success!"--
