Sommario/riassunto

'Cross Cultural Competence' serves as a comprehensive, practical, and workshop-based program that allows facilitators and organizational change agents to help organizations and people develop cross cultural skills and global competence. The book is grounded in the most rigorous and relevant theories, research, and learning methods and makes them easily accessible and fun to apply. Rich with exercises, case studies, survey instruments, and tools, it is based on the authors' extensive experience in delivering cross cultural training, coaching, and consulting in multiple languages to numerous organizations across the globe.
