Sommario/riassunto	<p>Case studies are a powerful pedagogical tool for illuminating constructs and models in real-life contexts. Covering a wide range of teaching-learning contexts and offering in-depth analyses of ESL/ELT language curriculum design issues, this casebook is distinctive and unique in that each case draws on and is clearly linked to a single model presented in Nation and Macalister's Language Curriculum Design (www.routledge.com/9780415806060), giving the book a high degree of coherence. A short commentary by the editors after each case highlights features of note and/or issues arising fr</p>
