Sommario/riassunto

A one-stop resource for understanding current International Financial
 Reporting Standards As the International Accounting Standards Board
 (IASB) makes significant strides in achieving global convergence of
 accounting standards worldwide, the International Financial Reporting
 Standards (IFRS) become extremely important to the accounting world.
 Wiley IFRS 2011 provides the necessary tools for understanding the
 IASB standards and offers practical guidance and expertise on how to
 use and implement them. Covers the most recent International Financial
 Reporting Standards (IFRS)
