| Titolo                  | The prerogative of popular government [[electronic resource] ] : A political discourse in two books. The former containing the first præliminary of Oceana, enlarged, interpreted, and vindicated from all such mistakes or slanders as have been alledged against it under the notion of objections. The second concerning ordination, against Dr. H. Hamond, Dr. L. Seaman, and the authors they follow. In which two books is contained the whole commonwealth of the Hebrews, or of Israel, senate, people, and magistracy, both as it stood in the institution by Moses, and as it came to be formed after the captivity. As also the different policies introduced into the Church of Christ, during the time of the Apostles / By James Harrington |
