Sommario/riassunto	This book by Richard G Lowe Jr. is a comprehensive guide for consultants on successfully managing consulting projects. Drawing from his extensive experience, Lowe shares insights and strategies for effective project management, emphasizing the importance of clear communication, proper planning, and adaptability. The author provides practical advice on drafting statements of work, managing changes, and ensuring client satisfaction. The book is aimed at both aspiring and seasoned consultants seeking to enhance their skills and deliver high-quality services. Additionally, it offers guidance on maintaining professionalism and building a strong reputation in the consulting industry.
