Sommario/riassunto	This book treats modal logic as a theory, with several subtheories, such as completeness theory, correspondence theory, duality theory and transfer theory and is intended as a course in modal logic for students who have had prior contact with modal logic and who wish to study it more deeply. It presupposes training in mathematical or logic. Very little specific knowledge is presupposed, most results which are needed are proved in this book

Sommario/riassunto	Emigration in 21st-Century India is the first definitive exposition of contemporary Indian labour migration. The book provides a comprehensive appraisal of the policies, legislation and institutional architecture governing emigration at both federal and state levels. It posits that, geographically, emigration is now a more inclusive, pan-India phenomenon with many distinct features. It draws critical attention to the multiple dualities in Indian emigration, showing how

the artificial distinction between a universal pravasi ('expatriate' or
'migrant') and a restricted aam pravasi ('common emigr
